

Publications Policy

AANM undertakes publication projects, including the publication of critical writing in the AANM newsletter and website, in order to:

- create a forum for discussion of ideas
- contribute to scholarship on issues pertaining to artists with disabilities
- promote the work of artists with disabilities
- encourage critical writing and discourse in the AANM community
- provide opportunities and remuneration for artists and/or writers

AANM publications and co-publications can exist in print or on-line, and may take the form of books, broadsheets, brochures, posters, postcards or other ephemera.

Publications Procedure

AANM publications are created on an ad hoc basis, with the exception of the newsletter, which is printed and posted on-line quarterly, and disseminated to the membership.
