

AANM Presents:

Overdressed

by Marie LeBlanc

Overdressed will explore LeBlanc's nomadic lifestyle, a result of living with Environmental Sensitivities which prevents her from living indoors. LeBlanc states "In survival mode 24/7, I go to great lengths to meet my basic needs such as accessing water. These seemingly simple tasks are, in actuality, special events. To mark the occasion, I wear the most precious piece of clothing I own"

When: May 1-12, 2021

Where: <https://www.facebook.com/events/1749379381911485>
